# High Lights on Salt Lake City

## "The Center of Scenic America"

**Capitol Building**—Overlooking the city from the north hills. Cost \$2,500,000.

**Temple Square**—Centrally located contains the famous Mormon Temple, which cost \$1,500,000, Tabernacle and its wonderful organ, Assembly Hall, Seagull Monument, Deseret Museum and Bureau of Information.

**Eagle Gate**—At South Temple and State Streets, near old historical Bee Hive House and Lion House.

**L. D. S. Administration Building**—A splendid architectural feature of South Temple Street. Cost \$1,100,000.

**Cathedral of the Madeline**—Magnificent Catholic edifice, located on East South Temple Street. Cost one million dollars.

**City and County Building**—A massive gray stone structure situated in the center of a ten-acre park.

**Historic Salt Lake Theatre**—Erected 1862 at State Street and First South.

**Social Hall Theatre**—Oldest theatre west of the Mississippi. Located on State Street near Public Library.

**University of Utah**—On East bench of the city with splendid view of city and lake to the west.

**East High School**—South on 13th East, a magnificent building and site.

**Liberty Park**—100 beautiful acres, part of Salt Lake's splendid recreational and play ground system.

**Ensign Peak**—To the north of the city. The spot where the Mormon pioneers first planted the American flag in 1847.

**City Creek Canyon**—A beautiful mountain retreat only 3 minutes drive from the heart of the business section.

**Wasatch Boulevard**—Built on one of the old water levels of old Lake Bonneville. Encircling city.

**Fort Douglas**—Government army post.

**Emigration Canyon**—The trail of the Mormon Pioneers. Pinecrest Inn is located at the top.

**Parley's Canyon**—National Lincoln Highway from the east.

**Big Cottonwood Canyon**—One of the most beautifully varied canyons in the west. Brighton, the most famous of Utah Mountain resorts is at the top at an elevation of 8,709 feet.

**Saltair**—The mammoth resort pavilion located on Great Salt Lake. 22% salt water makes it impossible to sink. "You can float like a cork."

**Bird Island**—A mountain peak in great Salt Lake, shelters thousands of sea gulls, pelicans and blue herons.

**Lagoon**—A beautiful bathing resort situated between Salt Lake City and Ogden, Utah.

**Bingham**—The most unique mining town in the country. Features every known kind of mining.

**Great Salt Lake**—Second largest body of salt water in the world. Covers an area of 2,325 square miles.

# Down the Line

## Through Utah

**Logan and Logan Canyon**—A picturesque section of Northern Utah, famous for its mountain beauty.

**Brigham City**—The center of Boxelder County's fruit industry.

**Ogden City and Canyon**—An interesting railroad center with a most beautiful canyon sheltering several summer hotels and resorts.

**Weber Canyon**—Affords splendid fishing and camping in the mountains.

**Park City**—America's greatest silver mining camp.

**Utah Lake**—The largest fresh water lake in the west.

**American Fork Canyon**—One of the most spectacularly rugged canyons in all of northern Utah.

**Provo**—Utah's Garden City, situated between Utah Lake and the Wasatch range.

**Provo Canyon**—The gateway to Heber City Hot Pots, Park City, and the Granddaddy Lakes region of the Uintahs.

**Mt. Timpanogos**—12,000 feet high. The most popular hiking ascent, America's most southern glacier.

**Mt. Nebo**—"Last westward sentinel of the Wasatch", located near Nephi in central Utah.

**Fish Lake**—The most famous fishing spot in all Utah, situated high in the mountains to the east of Richfield.

**Cedar Breaks**—A small mountain range remarkable for its rugged structure and as the beginning of the famous scenic circle trip through Southern Utah.

**Zion National Park**—brilliantly colored, varied and extensive. Contains relics of the cliff dwellers.

**Hurricane Flat**—A most picturesque farming section, scenic in its distinctive location and marvelous plotting.

**Kaibab Forest**—A forty-five mile road through dense woods leading to the Grand Canyon of the Colorado.

**Grand Canyon**—The North Rim, reached through Utah affords, admittedly the most advantageous view of this magnificent gorge.

**Bryce's Canyon**—Known as the "silent city" because of its rare architectural structure. It is also the eastern limit of the great scenic circle trip.
